

## Junior Web Developer

eBroker Direct Limited is a leading developer and aggregator for the business energy market. Due to growth of the business we are looking to recruit a Junior Web Developer on a permanent basis to be part of a growing IT team.

This is an exciting new opportunity and are therefore looking for someone with the following technical abilities;

- HTML & CSS
- Javascript (including JQuery)
- C#/VB.NET
- MYSQL/SQL

You would be a great fit if you are also;

- Tenacious, curious and collaborative
- Quick learner and have excellent communication skills
- Commercial or self-taught frontend and backend development
- Passionate and driven
- Committed to personal development

What we offer;

- Competitive market rate salary
- 22 days annual leave, plus bank holidays
- Full time hours, Monday – Friday 9am – 5.30pm
- Fun but hard working environment
